

XIII CONFERENCE ON INTERNATIONAL ECONOMICS Call for papers

The Spanish Association of International Economics and Finance and the Department of Economics of the University of Granada, organize the XIII Conference on International Economics, to be held in Granada on 21 and 22 June 2012.

The Conference is open to the participation of researchers in the different areas of International Economics. The Organizing Committee invites researchers to submit original and unpublished papers, in all areas of International Economics, for presentation at the Conference. The papers should be uploaded, **in PDF format** and before **1 March 2012**, through the web page <http://www.ciespain.com>. The papers submitted will be refereed by the Scientific Committee, and decisions will be reported not later than **31 March 2012**.

All the subsequent information on the Conference will appear in the web page <http://www.ciespain.com>, and also in <http://www.aeefi.com>.
